

STATE OF LOUISIANA

James D. "Buddy" Caldwell
Attorney General

Jan. 6, 2016

To whom it may concern,

The Attorney General's Office has no complaint against Troy Brown personally or any company owned by him. Although individual direct service workers have been investigated for their individual conduct, the Attorney General's Medicaid Fraud Control Unit has not investigated Troy Brown personally or his corporation for any Medicaid issue. No complaints have been filed against him or his company. Additionally, the Attorney General's Office has no complaints against Troy Brown personally or professionally for any other issues that the Attorney General's Office has any jurisdiction over. Nothing prevents clients of any providers or otherwise from filing complaints. They may be filed by anyone, whether they have merit or not.

Yours very truly,

A handwritten signature in blue ink, reading "James D. 'Buddy' Caldwell".
